Best-selling author **Julia Quinn** headlines **Southern Voices** as our keynote speaker. Quinn wrote the immensely popular *Bridgerton* books that inspired Shonda Rhimes's hit Netflix series, and has authored countless other novels set in the same shared historical universe.

The **author conference** also includes an impressive lineup of authors. **Kimberly Brock, A. J. Finn, Chris Pavone, Steven Rowley, Maurice Carlos Ruffin, Tommy Tomlinson** and **Stacey Willingham** have all signed on.

Nashville royalty, **The McCrary Sisters**, will perform their unique blend of gospel, soul, Americana, blues, R&B and rock, adding the musical element to this year's festival.

This year's featured artist is Hoover's own **Tony Bingham**, creator of the Harpersville **Praise House** sculpture. He will be honored with a reception and his works will be on display during the month of February.
